

PROPOSAL

It is the policy of this county that all government personnel portray the most favorable image of local government. Such image should reflect the highest professional standards consistent with public expectations of an unbiased government which demonstrates confidence and trust. No member of the public should feel uncomfortable or threatened by the dress or personal appearance of any governmental official or employee.

The following general guidelines shall be established for all governmental officials and employees:

All government officers and employees shall be neat and clean and present a well-groomed appearance. Head coverings, including hats, scarves, yarmulkes, hijabs, turbans, etc. shall not be worn during working hours. No government official or employee shall display tattooed body art or unnatural hair colors. All facial piercings, with the exception of one pair of earrings for women, shall not be permitted. Likewise, full or partial beards, goatees or other facial hair shall not be permitted.
